-----  
Reviewer A:

Recommendation: Accept Submission

-----  
The topic of the article is appropriate with the profile of the Technium Social Sciences Journal?

Yes

Text formatting conditions are respected?

Yes

The figures are clear and have an appropriate contrast?

Yes

References, figures, tables and calculus relations are cited in the text of the paper?

Yes

The English language is clear, correct and accurate?

Yes

The general aspect of the paper is appropriate?

Yes

Scientific level of the paper – the conclusions of the paper must present the theoretical importance or the practical value of the study

high level: in the paper are presented original studies, the results being useful for practical or theoretical reasons

Suggestions for the author(s): None. Keep working on this topic because is very relevant for the social sciences research field. Good job!

**Conclusions: the paper may be published without making any change**-----  
Reviewer B:

Recommendation: Accept Submission

-----  
The topic of the article is appropriate with the profile of the Technium Social Sciences Journal?

Yes

Text formatting conditions are respected?

Yes

The figures are clear and have an appropriate contrast?

Yes

References, figures, tables and calculus relations are cited in the text of the paper?

Yes

The English language is clear, correct and accurate?

Yes

The general aspect of the paper is appropriate?

Yes

Scientific level of the paper – the conclusions of the paper must present the theoretical importance or the practical value of the study

acceptable level: the paper presents an original scientific or technical review based on the compilation of several sources which are cited; the paper presents a progress report of an original study; the results are useful for practical or theoretical reasons

Suggestions for the author(s): Congratulations. I don't have any recommendations.

**Conclusions: the paper may be published without making any change**
