Ed Sheeran Selected Songs Lyric

1. Thinking Out Loud

*When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love
Will your eyes still smile from your cheeks
Darlin' I will be lovin' you till we're seventy
Baby my heart could still fall as hard at twenty three
I'm thinkin' bout how
People fall in love in mysterious ways
Maybe it's all part of a plan
Me I fall in love with you every single day
I just wanna tell you I am
So honey now
Take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are
When my hairs all but gone and my memory fades
And the crowds don't remember my name*

When my hands don't play the strings the same way (mmm)
I know you will still love me the same
Cause honey your soul can never grow old it's evergreen
Baby your smile's forever in my mind in memory
I'm thinkin' bout how
People fall in love in mysterious ways
Maybe just a touch of a hand I'll continue making the same mistakes
Hoping that you'll understand
That baby now (oooh)
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are (ohh ohh)
Baby now take me into your loving arms
Kiss me under the light of a thousand stars (oh darlin')
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are
We found love right where we are
And we found love right where we are

2. Perfect

I found a love for me

Oh darling, just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waiting for me
'Cause we were just kids when we fell in love
Not knowing what it was
I will not give you up this time
But darling, just kiss me slow, your heart is all
I own And in your eyes, you're holding mine
Baby, I'm dancing in the dark with you between my arms
Barefoot on the grass, listening to our favorite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, darling, you look perfect tonight
Well I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own
We are still kids, but we're so in love
Fighting against all odds
I know we'll be alright this time
Darling, just hold my hand
Be my girl, I'll be your man
I see my future in your eyes
Baby, I'm dancing in the dark, with you between my arms

*Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight
Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she looks perfect
I don't deserve this
You look perfect tonight*

3. Photograph

*Loving can hurt, loving can hurt sometimes
But it's the only thing that I know
When it gets hard, you know it can get hard sometimes
It is the only thing that makes us feel alive
We keep this love in a photograph
We made these memories for ourselves
Where our eyes are never closing
Our hearts are never broken
And time's forever frozen, still
So you can keep me
Inside the pocket of your ripped jeans
Holding me close until our eyes meet*

You won't ever be alone, wait for me to come home

Loving can heal, loving can mend your soul

And it's the only thing that I know, know

I swear it will get easier, remember that with every piece of you

And it's the only thing we take with us when we die

So you can keep me

Inside the pocket of your ripped jeans

Holding me close until our eyes meet

You won't ever be alone

And if you hurt me

That's okay baby, only words bleed

Inside these pages you just hold me

And I won't ever let you go

Wait for me to come home

Wait for me to come home

Wait for me to come home

Wait for me to come home

You can fit me Inside the necklace you got when you were sixteen

Next to your heartbeat where I should be

Keep it deep within your soul

And if you hurt me

Well that's okay baby, only words bleed

Inside these pages you just hold me

And I won't ever let you go

When I'm away, I will remember how you kissed me

Under the lamppost back on Sixth street

Hearing you whisper through the phone

Wait for me to come home
